Technology and Management Solutions Becomes a Gazelles® Coaching Partner

Challenge Aspen, One of First Clients to Benefit, Grows Over 130%

Boulder, Colo. (August 14, 2008) — Technology and Management Solutions, LLC, a Boulder-based management consulting firm headed by Theresa M. Szczurek, is helping small to mid-size firms grow and thrive -- even with a faltering economy. Technology and Management Solutions has become a certified Gazelles coaching partner and has added the Gazelles program on "Mastering the Rockefeller Habits" to its own "Pursuit of Passionate Purpose" market development and performance improvement services.

One of the first companies to benefit from Technology and Management Solutions' combined program is Challenge Aspen -- a non-profit organization that provides life-altering, athletic-based experiences for people with disabilities. "It is without a doubt that Challenge Aspen's growth of over 130% from last financial year is the direct result of the tailored business coaching of Theresa," stated Houston Cowan, CEO of Challenge Aspen.

Challenge Aspen, which provides recreational, cultural, competitive and educational experiences for individuals who have cognitive or physical disabilities, hosts the **11th Annual Musical Tribute to John Denver** on October 10-11, 2008, at the Wheeler Opera House in Aspen, Colorado. Visit www.ChallengeAspen.com for more information and to register for the concert.
